WIELAND

modular lounge

Rally's clean lines coordinate with modern styles, while the convenient power options and comfortable, long-lasting seat construction welcome visitors. With its modular design, and renewability, Rally is an efficient and attractive alternative for healthcare spaces.

highlights

- Wedges add flexibility to create unique configurations that fit any space
- Round ottomans give Rally seating a modern twist with added functionality
- A variety of arm styles and leg options offer complete design flexibility
- Hidden interlocking metal fasteners allow for easy renewability and replacement
- Universal corner and armless models simplify specification
- To connect modular grouping, order the ganging option with each model
- 2 back heights available
- The unique integrated table serves as booth seating
- Hard surface tops are available in thermoform
- Moisture barrier is standard
- Mid-back models have a 35" back height
- Warranty: 25 years for structure, 3 years for casters
- GREENGUARD® Certified for low chemical emissions UL.COM/GG UL 2818*

endless possibilities

Rally is stylish, versatile, and functional. Arrange the stand alone and modular pieces of the collection to improve the healthcare experience for visitors who wait, work, or relax.

Designed for easy care and infection prevention, Rally also features a clean-out in addition to multiple arm, foot, and back styles. Combine fabrics, finishes, tables, and ottomans to create your own look.

Introducing Rally Wedges. Pieces that are perfectly dimensioned to work with the full line of Rally products. Wedges add extra flexibility, allowing your best ideas to come to shape when creating arrangements that are ideal for lobbies and waiting areas.
