WIELAND

modern durability

The contemporary design of the Upland collection adds style and durability to any environment. Upland arm chairs and side chairs are available in sled base, casters, and four-leg with a wall saver option. Stools and the easy access chair models complete the collection.

stool with arms

stool

easy access

The easy access chair is designed to assist patients with partial or total hip replacement or arthritic or surgically repaired knees.

highlights

- durable, contemporary styling
- two seat widths available for chairs and stools
- sled base, casters, and easy access chairs are offered
- seat backs are available in upholstered, wood, or plastic
- pick from several finishes for the wood backs
- multiple seat and back material combinations available
- tested with most common industry cleaners, including Virox
- dollies available for both standard and wide

sustainable seating

All Upland chairs are manufactured with seat pans made from non-toxic, 100% recycled plastic. The seat pan's smooth surface has a gleaming, polished look and is also easy to clean.

customize the look

Make seating from the Upland collection your own by mixing and matching the seat materials, back materials, and colors for the arm cap and plastic back panel.
