## soothing, safe, and dependable through every moment of care

Naomi was designed to adapt across care spaces and settings, responding to the real-world needs of caregivers, patients, and families. Bringing a familiar, home-like sense of comfort into patient environments, Naomi fosters a calming experience within the hospital. With details that matter—like gently curved arms, a generously cushioned ottoman, and the soothing motion of a glider combined with the comfort of a recliner—Naomi becomes a trusted presence throughout everyday moments of comfort and connection.

# Naomi

## collection highlights

- Curved, upholstered arms shaped to encourage natural arm positioning and comfort while holding, rocking, and feeding
- Upholstered arm cap with light padding for added comfort, with urethane and solid surface options available
- Generously cushioned ottoman that enhances relaxation during longer stays or when additional comfort is desired
- Ergonomically designed back that independently reclines to allow personalized comfort during care moments
- Dual-sided back recline lever for convenient adjustment from either side of the chair
- Quick-release seat designed to simplify cleaning and maintenance in busy care environments
- Tip-back casters that provide smooth, easy mobility within the patient space
- Standard moisture barrier protects foam from spills and liquids
- 25-year warranty; recline mechanisms–10-year warranty; casters–3-year warranty
